Education

PhD **Geography**, University of Arizona, 2004

minor: Spatial Analysis and Remote Sensing

MA **West European Studies**, Indiana University, 1996

BA **French and Political Science**, Indiana University, 1994, *With Distinction, Phi Beta Kappa*

minors: Italian and Spanish

Degré d'Etudes Françaises, Université de Strasbourg, France, 1993

Appointments

Harvard University

Executive Director, Center for Geographic Analysis, 2025–present

Brown University

Adjunct Professor of the Practice, Population Studies, 2025–present

Visiting Scholar, Population Studies, 2018–2025

Associate Director, Spatial Structures in the Social Sciences (S4), 2010–2018

Associate Professor (Research), Population Studies, 2015–2018

Assistant Professor (Research), Population Studies, 2010–2015

Newcastle University

Visiting Professor, 2025–present

Professor of Geographical Analysis, Centre for Urban and Regional Development Studies (CURDS),
School of Geography, Politics and Sociology, 2018–2025

Head, Newcastle Data (Data NUCoRE), 2022–2025

The Alan Turing Institute

Group Leader for Liveability, Science of Cities and Regions Programme, 2023–2025

Turing University Lead–Newcastle University, 2021–2023

University of Maryland

Senior Lecturer, School of Public Policy and **Faculty Associate**, Maryland Population Research Center,
2009–2010

Adjunct Lecturer, School of Public Policy, 2004–2009

American Association of Geographers (AAG)

Deputy Director, 2007–2009

U.S. Census Bureau

Statistician Demographer, Population Distribution Branch, Population Division, 2002–2004

Other Appointments

Visiting Professor, Gran Sasso Science Institute (GSSI), L'Aquila, Italy, 2018–present

Editor (cross-disciplinary), *Annals of the American Association of Geographers (AAG)*, 2025–present

Editor, *Geographical Analysis*, 2017–2025

External Examiner, University College London (UCL), United Kingdom, Undergraduate Geography, 2023–
2025

Co-Editor, *Spatial Economic Analysis*, Co-Editor, 2024–2025

Visiting Professor, University of Sassari, Sardinia, Italy, November 2019
Executive Director, Western Regional Science Association (WRSA), 2011–2018

Fellowships and Awards

Media Achievement Award, American Association of Geographers (AAG), 2026
Honorary Fellowship, Royal Geographical Society (RGS), 2025
Fellow, Regional Studies Association, 2024
Outstanding Service Award, AAG Spatial Analysis and Modelling Specialty Group, 2023
Fellow, Alan Turing Institute, 2018–2023
Fellow, Western Regional Science Association (WRSA), 2020–present
Fellow, Royal Geographical Society (RGS), 2020–present
David E. Boyce Award for Distinguished Service to the Field of Regional Science, 2015
Student Paper Award, AAG Population Specialty Group, 2003
Benjamin H. Stevens Graduate Fellowship in Regional Science, 2001–2002
Graduate Student Paper Award, AAG European Specialty Group, 2001
Lander MacClintock Award for Excellence in Italian Studies, 1994
Phi Beta Kappa, Gamma of Indiana, elected 1994

Research and Training Grants

“Urban Data as Infrastructure Seminars,” 2025 HMUI Urban Research Grant, Harvard University, 2025–2026 (\$2,000)
“The SDR UK Imagery Data Service for Sustainability, Prosperity and Wellbeing (IMAGO),” U.K. Economic and Social Research Council (ESRC), September 2024–March 2029 (Founding Co-Director with Daniel Arribas-Bel, £5,819,354)
“Digital Footprints: Strategic Advice Team,” U.K. Economic and Social Research Council (ESRC), January 2023–June 2025 (PI, £521,228)
“Estimating Pandemic Effects on Publication in Regional Studies Journals,” Regional Studies Association, April–September, 2022 (PI, £28,991)
“Beyond 'Left Behind Places': Understanding Demographic and Socioeconomic Change in Peripheral Regions,” U.K. Economic and Social Research Council (ESRC), March 2021–February 2024 (Co-I; £563,618)
“The Impact of the Environment and Pollution on Cognitive Health (EPOCH): Building the knowledge base through international collaboration,” U.K. Medical Research Council (MRC), October 1, 2020–September 30, 2023 (Co-I; £538,704)
“Centre for Doctoral Training in Geospatial Systems,” U.K. Engineering and Physical Sciences Research Council (EPSRC), April 1, 2019–September 30, 2027 (Co-I; £6,718,389)
“Smart Cities and Inequality,” Alan Turing Institute, October 1, 2018–March 31, 2022 (PI; £268,023)
“A Blueprint for Urban Analytics Research Workshop,” Alan Turing Institute, April 11–12, 2019 (PI/Organizer; £6,020)
“The Spatial Demography of Population Loss in the United States,” Geography and Spatial Sciences (GSS) Program, National Science Foundation (NSF), July 1, 2016–June 30, 2019 (PI; \$243,848)

“The Spatial and Demographic Context and Implications of Uneven Population Change,” Eunice Kennedy Shriver National Institute of Child Health & Human Development, National Institutes of Health (NIH), March 14, 2016–February 28, 2019 (PI; \$152,503)

“The Geography and Policy of Depopulation in the Developed World: A Pilot Study on Germany and the United States,” Richard B. Salomon Faculty Research Award, Brown University, 2012 (PI; \$15,000)

Center for Spatially Integrated Social Science (CSISS) Workshop Scholarship, 2000

University of Arizona Graduate College Fellowship, 1998–99

Foreign Language Area Studies (FLAS) Fellowship in Catalan, 1994–1995
